We will again be hosting a silent auction to benefit the CASN Bertie Eby Educational Scholarship fund, and are asking that individuals or groups donate a basket to the cause. Some examples of basket themes are: cooking, gardening, wine/cheese, self-care/pampering, travel/resort/leisure, etc. This is a great way to help the scholarship fund and also to have some fun with co-workers. You are asked to bring the basket, ready to auction, to the registration table. (Please provide market value of your basket).

The scholarships can be used to further one's education in the field of nursing.

Check here if you/your district will be donating a basket. Individual/District name: \_\_\_\_\_
