Objectives: Upon completion of this conference, participants should be able to;

- Evaluate common injuries that occur in the school setting.
- Identify three injuries that require an immediate visit to the ED.
- Articulate the most common findings associated with fractures in toddlers and preschoolers.
- Increase knowledge of the facilities and services offered to students at Colorado School for the Deaf and the Blind.
- Identify the process for successful grant writing.
- Describe the components necessary for a successful grant.
- Utilize a grant writing template.
- Apply one specific grant writing example, to their work as a nurse in the school setting.
